ICD-9 CODE	DESCRIPTION

*All ICD-9 codes listed on this page must be fully documented and supported in the medical chart.
 *Any laboratory, pathology or radiology must be carried over to the physician charts notes before a definitive diagnosis can be made.
 *All questionable, probable and rule out codes should NOT be submitted until confirmed.
 *Please note these codes are to be used for easy reference; however the ICD-9 code book is the authoritative reference for correct coding guidelines.
